

"Prebiotics, Probiotics & Functional Food Claims," 36th Annual Food Label Conference

Speaking Engagement
6.2.24-6.5.24
Washington, D.C.

Contact

Ralph A. Simmons

Join Ralph Simmons from Foster Garvey at the Food Label Conference for a pivotal breakout session on "Prebiotics, Probiotics & Functional Food Claims." This session is part of a multi-day conference that gathers key government officials, legal experts, and industry leaders to discuss the latest in food labeling and compliance.

Don't miss this opportunity to stay ahead of evolving regulations, engage with key stakeholders, and network with peers in the heart of Washington D.C. Learn the latest rule-making, trends, and solutions to labeling challenges in a collaborative setting.
